

Happy Holidays!!!

Santa Claus and your Monarch Firefighters will be visiting your neighborhood on Tuesday, Dec 15th between 5-8pm. Check the attached schedule for the exact location.

Santa and his Elves will be on his sleigh, following the fire trucks along the way. With music, candy cane treats and lights, He will sit for pictures all through the night.

To find his various stops on the way, look for the "Santa stop" signs that lead to his sleigh. Listen for the sirens, and you'll know he is near. He'll be drawn by a fire truck instead of his deer!

These are approximate times only. Times may vary depending on number of participants at each Santa Stop. No need to worry because you'll know he's near when you hear the siren.
