## Town & Country 'For sale' homes burglarized

By LISA WATSON

Town & Country Police are asking residents to watch for suspicious activity after three burglaries occurred in the city.

The first burglary occurred on May 20 in the 13700 block of Clayton Road, police said. A purse containing cash and credit cards was reported stolen from a vehicle parked in an unlocked garage. Police said two white males after using the stolen credit cards were caught on a security camera at the Shop 'n Save in Shrewsbury. The following day, a black male attempted to use one of the cards and was caught also on camera.

A home adjacent to the home where the first burglary occurred was broken into between June 1 and June 6. The home is for sale and has been vacant for about a year, police said. Reported missing were a chandelier, washing machine, electronics, brass bathroom fixtures and other items.

The third incident, reported on June 9, occurred on Tidewater Place, across Clayton Road from the site first two burglaries. The house was for sale also, police said. A window was broken, but nothing was reported missing, police said.

Police believe the incidents are related, but at press time had not taken any suspects into custody. Anyone with information on the suspects is asked to call the Town & Country Police Department at (314) 432-4697.
